

COMMITTEES ARE TO HOLD SESSION

County Central Bodies of Political Parties Will Convene Monday.

WILL SELECT DELEGATES

Representatives to Congressional and State Gatherings Are to Be Named.

The county central committees of the four political parties participating in the nominating primaries last Wednesday are required under the law to meet on Monday and organize. The bodies are composed of precinct committeemen named at the primary.

It is announced today by County Clerk H. B. Hubbard that certificates showing the new members were duly elected will be ready for issuance Monday morning and can be secured at his office at that time.

Under the primary law, this meeting of the county central committee is termed the county convention of each party, and the principal business, in addition to the selection of officers, will be the naming of delegates to the congressional and state conventions. The former are to be held Sept. 16 and the latter Sept. 18.

County Meetings.

The democratic county central committee is to convene Monday afternoon at 1:30 at the Rock Island house, with T. A. Pender chairman. The G. O. P. will gather at the court house at 2 o'clock, with A. G. Anderson presiding, while the bull moose have selected the Business Men's association room on the fifth floor of the Safety building. The chairman is A. G. Abraham.

The congressional conventions are for the purpose of selecting delegates to the national nominating conventions and to recommend to the state conventions the nomination of candidates from the congressional districts for electors for president and vice president. Inasmuch as this is not a presidential year, there is little actual business to be transacted.

The state conventions have power to name candidates for presidential electors and for trustees of the University of Illinois and to adopt the party platform.

IS MAULED IN HIS CHURCH

Two Women Laborer Man With Club During Services.

Franklin, Pa.—Charges of disturbing a religious gathering and resisting an officer were made against Mrs. Bethia Porter and daughter, Miss Clara Porter, because of their starting a disturbance during services in the United Presbyterian church at Clintonville, a small town 16 miles from Franklin. The women were locked up in the county jail, but afterward gave \$1,000 bail.

There has been ill feeling between the women and a relative over the division of an estate, and twice before during services the daughter tried to harangue the relative, who is a trustee in the Clintonville church.

Yesterday the girl took a club to church, and when she sought to use it Constable Ralph McKinley and the Rev. S. J. Heath, the pastor, interfered. Both men were beaten with the club before the women were subdued. The church was in an uproar for ten minutes.

Owing to threats made by the women during the last month several members of the church have been timid about attending services and several have not sent their children to Sunday school. Mrs. Porter is the widow of a prominent farmer and owns a large farm.

Inflammatory Rheumatism Quickly Relieved.

Morton L. Hill of Lebanon, Ind., says: "My wife had inflammatory rheumatism in every muscle and joint; her suffering was terrible and her body and face were swollen almost beyond recognition; had been in bed for six weeks and had eight physicians, but received no benefit until she tried Dr. Detchon's Relief for Rheumatism. It gave immediate relief and she was able to walk in three days. I am sure it saved her life." Sold by Otton Gratjan, 1501 Second avenue, Rock Island, and Gust Schlegel & Son, 220 Second street, Davenport.—(Adv.)

Any estimates as to the actual losses of the Allies and the Germans must be largely guesswork, but the figures offered by a Danish military observer—of 100,000 Germans killed—do not seem out of the way. Considering the size of the armies engaged and the continuous slaughter on both sides in Belgium and France it would be surprising if all records of war for killed and wounded had not been far surpassed. In 1864 Grant lost 60,000 men in four weeks in the advance on Richmond.
